The readings for the 15th Sunday in Ordinary Time Year A tell of how our relationship with God helps us grow, which in turn allows our lives to bear fruit. The first reading explains that God’s Word is like the rain, which falls on the earth and makes it fertile. The second reading reminds us that a new creation is going to emerge. And in the gospel Jesus tells the parable of the sower and explains that our hearts must be ready to receive the Word of God.
